

## ST. PAUL'S ANGLICAN CHURCH—Ministry for Seniors'

We affirm, nurture and celebrate the older persons within our church and the wider communities of the South Shore, by meeting some of their spiritual, mental and physical needs. A team of volunteers plan monthly social events which include; afternoon tea/ coffee, sandwiches and squares, birthday celebration and a varied program of entertainment by musicians, singers, and dancers. To empower them, presentations are also given on a variety of topics which are relevant and informative.

A group of volunteers transport those who are unable to attend without this service. The church is wheelchair accessible and allows those who are physically challenged to participate. The Christmas dinner includes carol singing and gift giving by Santa Claus. The closing luncheon and the Christmas dinner are the highlights of these events and they are always well attended and enjoyed.

These events are open to all who are 65 years plus. To attend the Christmas dinner and the Luncheon there is a nominal cost. A freewill offering is requested at all the other events.
